Re: U.S. v. Winestock, et al.
Criminal No. WMN-90-454

Dear Judge Nickerson:

The government's responses to the pending § 3582(c) motions are currently due. Because responses to all of these motions in this district have been filed for the most part by two AUSA's in our office, I was not aware initially that the Winestock motions would be assigned to me. I would greatly some additional time to become familiar with the materials and collect the relevant data from the very old files. Consequently, I respectfully request an extension of time, until August 8, 2008, by which to file our responses.

Very Truly Yours,

Rod J. Rosenstein
United States Attorney
